III. Board officer elections (ACTION)  Sheppard

Annually, the Board elects a President and Vice President, as delineated in the Board Governance Policy. At the June meeting, Sheppard agreed to be nominated as President for the 2020-21 fiscal year, and Bureker agreed to be nominated as the Vice President. Further nominations can be taken from the floor, too. Successful candidates require a majority of the vote in favor.

If there are any changes, the newly elected President will need to state the new President, Vice President, Library Director Rachael Fox and Assistant Director Arwen Ungar are authorized to sign checks for the District and then Fox will alert the bank to update the bank signature card.

The Online Computer Library Center (OCLC) is an American nonprofit cooperative organization "dedicated to the public purposes of furthering access to the world's information and reducing information costs". They provide our cataloging records for Evergreen, our Intergrated Library System, for the SAGE consortium. They also provide the software which
allows us to process out-of-SAGE interlibrary loans. The cost of the service is $3,260.66, which is the same as last fiscal year. The invoice exceeds my spending authority. I ask for board approval.

- VI.iii. June 2020 financial statements

At the end of the 2019-20 fiscal year, the District's General Fund ended with $671,615, $16,615 more than budgeted for next fiscal year. This amount includes ample operating funds to take us from July through November, when we receive the bulk of our tax revenue. I estimate the need for $86,690 per month for 4.5 months, or $390,105. Here were some other notable items from last fiscal year:
  - Current year tax revenues came in $20,065 higher than budgeted.
  - Overall Personal Services came in $49,052 under budget.
  - Overall Materials and Services came in $58,047 under budget.

iv. Director's report

Fox

Administration

- I will be taking a vacation Friday, July 31 through Thursday, August 6. Assistant Director Arwen Ungar will be in charge of the District during my absence. I will be less than one hour away and I can return to the library if there is an emergency and/or I can assist Ungar by phone.
- We welcomed back eight volunteers in the library to process new library materials. Due to the dramatic increase of COVID-19 cases in our region and state and the recent mandates by Governor Kate Brown, I have paused having volunteers in the library.

Collection

- In addition to Curbside Services, we are continuing to offer digital resources.
  - Ebooks and audiobooks
  - Movie streaming
  - Online learning and research tools.

Facilities

- Wi-Fi has been extended outside into the west side of the Hood River Library by running a cord from my office and placing a router in the window of the Columbia
Room. I'm working on a permanent solution with Gorge Electric. We plan to install an outdoor router on the west side of the building which will increase our strength and coverage in the Gardens.

- In May we had water intrusion in the Parkdale Library. A new irrigation system was installed outside the building and it caused minor flooding into the library. There was slight water damage to bottom of a small shelf but otherwise there was no permanent damage. The Parkdale Fire District (building owners) called in ServePro and they cleaned the carpets. The issue with the irrigation system has been resolved.

**Programs**

- Due to Covid-19, we has paused all in-person programming. For summer reading this year, we will have a variety of online programs, do-it-yourself crafts/free books in a Family Activity Bag and prizes for gift certificates to local businesses.

**Adult Summer Reading**

Adults can participate in summer reading weekly by reading or listening to a book and then filling out [this form](#) to be entered into a drawing for a $25 gift certificate to a local business.

- Bilingual Conversation Group [Zoom]  
  Wednesdays, 12 p.m.  
  Visit the library to practice Spanish and English in this casual language exchange. Participants will spend part of the conversations talking in English and part in Spanish.

- Book Club [Zoom]  
  Thursday, July 9, 4:30 p.m.  
  This month we will be discussing The Road by Cormac McCarthy. Always Available eBook from Library2go

- Anti-Racism Book Club and Discussion Group [Zoom]  
  Friday, July 24, 12 p.m. and Friday, August 21, 12 p.m.  
  Each month, the group will read and discuss a book to learn about anti-racism. The book for July is How to Be Antiracist by Ibram X. Kendi and the book for August is Me and White Supremacy by Layla F. Saad.

- Letters to Local Seniors in Partnership with Hearts of Hospice  
  Many seniors living in assisted living and care facilities are in isolation without their usual visits from friends, family and community service workers. Patrons can support local seniors by writing letters. Patrons can contact arwen@hoodriverlibrary.org for details.

  People have been addressing correspondence to “A friend I haven’t met yet” or “Dear Community Member”. A simple message about your day, description of the flowers you see outside your window, or a hopeful word are all that is needed. Children’s drawings or writing are most appreciated. Rheva Wren, who created the program, said, “It’s been one of the most rewarding things I’ve ever done. The cards and letters from the community members are so welcome at
the care facilities. It's been one of the most rewarding things I've ever done. The cards and letters from community members are so welcome at care facilities!

- **Teen Summer Reading**

Teen Summer reading this year will have three main parts, all that can be done online or from safe distances!

Starting June 23, there will be online programs, weekly challenges, and quick and easy book rankings. Taking part in any of these will earn teens an entry into a virtual weekly drawing for gift cards to local shops. The Teen Librarian will keep track of entries and will mail winners their prize.

- Weekly Challenges:
  Challenges will be posted on the library's Facebook and Instagram every week. To enter, simply post your response as a comment. Once a challenge is posted, teens can post until any time until the end of the summer reading.
  - Pet picture (or plant or whatever)
  - Dramatic Reading or recreate a scene from a favorite book
  - Make your own Meme
  - Pick a book you hate and rant about it
  - Create a sculpture out of silverware. Preferably washed, but color and texture is up to you
  - Recreate the cover or Cosplay a favorite character
  - Animation Workshop (August 2 to 8)
  - Create a Cartoon or post a tik-tok dance

- Writing Challenges:
  Write a fairytale or fantasy story or create a conspiracy theory. Please keep it fairly short. More than 5 pages and your librarian pals will get distracted. E-mail entries to rachelt@hoodriverlibrary.org. Winning stories will get a prize.

- Short and sweet book ratings:
  **What did you think?** You can add your name to your review or keep it anonymous.

• **Children’s Summer Reading**

  **FAMILY FUN ACTIVITY KITS:**
  The Kids’ Team has created 3 activity kits to be given away during the first 3 weeks of July. These kits are not only inspired by arts and science, but also the concept of SERVICE. In other words, how can kids use their kits to help someone else, teach them something, or get to know someone new? Maybe there’s something to share with a neighbor. A game to play with parents. Directions to read to a younger sibling. Something to send in the mail to someone who’s lonely. All of these are very important acts of SERVICE, which not only makes others happy, it makes kids happy too!

  *Each child gets their own kit each week, and every week is a different kit with new activities! *Supplies are limited.

  Kits can be picked up at the following locations during curbside hours:
  **Hood River:**
  **Week 1**
  • Wednesday and Thursday July 8 & 9, noon – 6 pm
  • Friday and Saturday July 10 & 11, 10 am – 3 pm
  **Week 2**
  • Wednesday and Thursday July 15 & 16, noon-6 pm
  • Friday and Saturday July 17 & 18, 10 am – 3 pm
  **Week 3**
  • Wednesday and Thursday July 22 & 23, noon – 6 pm
  • Friday and Saturday July 24 & 25, 10 am- 3 pm

  **Parkdale & Cascade Locks:**

  • Saturday, July 18, 10 am-2 pm
  • Saturday, July 25, 10 am-2 pm
• KIDS SUMMER READS:
Fluent readers are invited to pick up their free copy of Matilda, by Roald Dahl, in its new “Chocolate Cake” edition. Come by during curb-side hours starting July 7 to request a copy.

On Wednesday, August 5 at 2pm, we will host a Facebook Live Matilda Trivia Challenge on the library’s Facebook page to test your smarts and have a serious discussion about chocolate cake.

• Storytime [Facebook]
  Thursdays, 10:30 a.m.
  Join Teacher Jana each week for stories and songs! Live on Facebook.

• Literary Trivia [Facebook Live]
  Wednesday, August 5, 2 p.m.
  Matilda Trivia Challenge

• Tune into Radio Tierra 95.1 @ 9 a.m. every Wednesday of the month we will be on-air playing songs, stories, and making announcements regarding family programming at the Library. This program is dedicated to all the kiddos who stay at home and haven’t had the opportunity to begin school.

• The Friends of the Library donated funds for our summer reading performers for our children’s programs. Since we are not having performers at the library this summer, we used the funds to pay for our Family Activity Bags (do-it-yourself craft kits/free books) for children throughout Hood River County. Many libraries around the country are offering similar kits for youth. We are also using funds from our Ready to Read Grant. We expect to distribute three different kits during the summer throughout Hood River County for a total of 1,950 Family Activity Bags. We are distributing the bags at our physical branches as described above and at each of the Hood River County School District Meal Sites (May Street Elementary, Mid-Valley Elementary, Parkdale Elementary and Cascade Locks Elementary).

VII.i. Hood River County Library District Roadmap to Reopening Plan

Current Services

Our Curbside Services have been going great! Our staff feel like we are doing an excellent job serving our patrons and things are running smoothly. Our system is safe
for staff and patrons. We have received overwhelming support from our patrons regarding the services.

Many libraries offering Curbside Service require a reservation which limits the amount of patrons they can serve each day. We allow our patrons to drop-in which means no one is turned away. We have been averaging 45 patrons per shift in Hood River (ranging from 26 to 89 patrons per shift) and serving 3-11 patrons per shift at the branches.

Since our last board meeting, we have added the following services:
• Curbside Pickup computer printouts. The first 20 copies per day are free. Patrons can email print requests to info@hoodriverlibrary.org.
• Expanded our Wi-Fi coverage outside the Hood River Library to the patio/lawn area on the west side of the library. We have signage posted in the Gardens. I'm working on getting an outside connection installed which will further expand coverage in the Gardens.
• Patrons can check out a laptop to use for up to 2 hours during Curbside Services in Hood River, Parkdale, and Cascade Locks. We are encouraging patrons to use the laptop in our outdoor Wi-Fi Zones. They can send documents to our printer in Hood River and we can bring them out to them.

I have ordered a banner for the front of the building in Hood River to advertise the services we offer during Curbside hours.

Please see our full offering of services below:

Oregon/Washington Libraries update
I attended a Zoom meeting of Library Director’s on Thursday, July 16, and the State Library of Oregon reported all libraries have paused moving forward with expanding services due to the rise in cases in Oregon. A few have had to shut down due to COVID-19 outbreaks among staff members but they have recently reopened their services.

Many libraries are still only offering Curbside Services or limited indoor services which only allow pick-up of holds and no browsing of the library stacks or computer use.

There are libraries in Oregon which allow computer use and browsing of stacks. Those libraries are using the Grab-and-Go model which we discussed at the last board meeting which encourage patrons to quickly come in to pick up times or use computers and then leave. All libraries are doing things differently to some degree.

Our neighbor libraries in White Salmon and Stevenson are still only offering Curbside Pickup. The Dalles Library has stopped Curbside Pickup and allows 15 patrons inside the building at a time if they are wearing a mask. Patrons must have their temperature taken and fill out a form for contract tracing. They are allowing patrons to pick-up holds and browse. They are not allowing patrons to sit in the library, there are no computers available and children under 14 are not allowed in the library.

**Next steps**

- **Continue with Curbside Services**
  The Hood River Library Safety Committee met on Tuesday, July 14, and discussed reopening the library. We think due to the recent spike in cases in our region, Oregon and nationwide and the new mandates issued by the Governor this week, including the possibility of business closures, it is in the best interest for our patrons and staff to postpone the reopening.

  In addition to the new measures announced on Monday by Governor Kate Brown, Dr. Sidelinger from the Oregon Health Authority reiterated other actions we can all take to slow the spread of COVID-19.
  - If you can move activities outside, do so. The disease spreads less easily outdoors, and you can enjoy more of the Oregon summer.
  - **If you run a business and can serve customers outside – do it.**
    - Avoid groups of more than 10. And if you’re unexpectedly in a group of 10 or more, think hard about whether that’s a good choice, stay outside, keep 6 feet apart, and cover your face.

I think at this time the safest way we can serve our patrons is to continue serving our patrons outside.

I recommend the Safety Committee waits until the end of July to discuss reopening. I can check-in again with Library Board President Jean Sheppard after our next meeting.
Our Safety Committee is still focusing on preparing for two options in the future for library services.

1. Reopen the building for limited services if we do not have another shutdown or rollback in phases in Oregon. I have ordered sneeze guards for all our branches and face coverings for public distribution. In addition, we are working on signage and safe procedures.

OR

2. If we have to rollback in phases or we decide to continue with Curbside, when the rain starts in the fall, we are exploring moving Curbside into the lobby and maybe computer use into the meeting room by appointment only, if it is safe. We will also checkout laptops with a Wi-Fi hot spot at all three branches.

**Increase Curbside hours**

I propose we continue to offer modified service hours for the month of August but we add an additional hour on Fridays and Saturdays in Hood River.

New services hours
- **Hood River**
  - Tuesday, Wednesday, Thursday – 12:00-6:00pm
  - Friday, Saturday – 10:00pm-4:00pm
- **Parkdale and Cascade Locks**
  - Tuesday 2:00-6:00pm
  - Saturday 10:00pm-2:00pm

I highly recommend we continue with modified hours at this stage. Especially, if we plan to open the building we’ll need to have modified hours because it will take more staff members “on desk/door monitors” than usual to run the building safely. In addition, we use hours outside of our service hours to shelve items, pull holds, check-in quarantine items, and cover new items.

In addition, we have staff members taking sick leave more frequently due to our COVID-19 Employee policy requiring staff members exhibiting symptoms to take sick leave and obtain a medical release before returning to work.

We currently have one staff member who has voluntarily reduced their hours by 13.5 hours per week and we have a staff member (30 hours per week) going on parental leave in August.

**Expanding services**

- **Browsing:**

We are currently exploring ways to allow patrons to browse our collection and find new together a page of resources for patrons to help them find more reading materials. We have added a link to our front page on the website to new items. We’ll be expanding the lists on the page. In addition, we’ll offer a list of websites patrons can explore to
find new reading material and advertise librarians are available to help during Curbside Hours with Reader’s Advisory.

- **Support for Job Seekers**

  Assistant Director Arwen Ungar has just connected with the State Library of Oregon to participate in a discussion with East Cascade Works staff about how to support job seekers our region. The goal is to share information about services provided, identify areas where more support is needed, and discuss possible areas of collaboration.

  The State Library is convening regional discussions in order to identify areas of need and potential workforce recovery and development projects that could be supported with CARES Act or LSTA funding.

- **Wi-Fi hotspots and laptop checkout**

  We have purchased 10 additional Wi-Fi hotspots, which brings our total to 20 Wi-Fi hotspots for the District. We are allowed to purchase 10 hotspots per year through a program for schools and libraries with Mobile Beacon. We receive a great discount of $10 per hotspot per month for the service. We plan to catalog 5 of the hotspots for checkout and then pair 5 hotspots with laptops, which patrons can check out for 3 days. We'll have 3 laptop/hotspots at the Hood River branch and one at Parkdale and Cascade Locks.

- **Service for homebound**

  Our next focus for library staff will be on how to serve the homebound in our county. I'll give an update by our next board meeting.

**VIII. New business**

  i. **Appointing agents of record (ACTION)**

  President

  Attachments: VIII.i. Resolution 2020-21.01, establishing agents of record

  The District must appoint its insurance agents of record. We have two agents. Columbia River Insurance assists the district with general liability and property insurance, which we currently get through Special Districts Insurance Services. Century Insurance Group, LLC of Bend, Oregon assists us with employee benefits such as health insurance, which we currently get through Pacific Source (medical, vision and dental insurance insurance). Both agents have been helpful. The attached resolution affirms these companies as our agents of record for the coming year.

  ii. **Establishing regular meeting time (ACTION)**

  President

  Attachments: VIII.ii. Resolution 2020-21.02, establishing a regular meeting time

  The Board's regular meeting time, date, and location needs to be established annually. At the June regular meeting, Board members agreed that the third Tuesday from 7.00-9.00p was a good time for regular monthly meetings.
iii. **Discussion of Friends of the Library and Library Foundation liaisons**

President

Each year, the District Board designates liaisons to attend the monthly meetings for the Friends of the Library and the Library Foundation. Past Board members have found attending the meetings is appreciated by our support groups, which are a valuable asset to the library through their financial and volunteer support. I also attend all the meetings and can report to the Board.

- Friends of the Library – meet second Tuesday of each month from 12:00-1:00pm. They do not meet in July, August, or December.
- Library Foundation – meets the first Wednesday of each month from 5:00-6:30pm. They do not meet in July, August or December.

iv. **Hood River County Library District COVID-19 Volunteer Policy**

President

Attachment: VIII.iv. HRCLD COVID-19 Volunteer policy [2020-07-21]

I worked with HR Answers to create this policy. Special District’s Association of Oregon contracts with HR Answers to provide Human Resources assistance for SDAO members. Ruben Cleaveland has reviewed the final draft of the policy. As I mentioned, I have paused having volunteers in the library but I would like to be prepared when we can safely welcome volunteers back.

v. **Partnership: Pop-Up Library/Mobile Hotspot van (ACTION)**

President

Attachment: VIII.v. Bookmobile IGA

The Library District staff would like to partner with the Hood River County School District to run a Pop-Up Library/Mobile Hotspot for the month of August. Depending upon restrictions for COVID-19 in the fall, we might continue with the partnership through the school year. Library District staff and School District staff will meet in late August to discuss continuing the partnership.

The School District will provide a van, insurance and gas. The Library District will provide staff, cleaning supplies, hand sanitizer, table/signage/cones, safety gear for staff, laptop for staff, free books, battery pack and the wifi hotspots for patrons to connect. We plan to offer this service one day per week in August. We have safety guidelines and procedures in place to protect library staff and patrons.

To ensure staff and patron safety, we want to start this project small by initially offering only Wi-Fi access and free books. We will park the van at specific locations in Hood River County for a few hours. We will set out a table with free library books. The books will be individually packaged in a clear zip lock bag to encourage patrons to not touch the inside of the items. The Library Foundation has donated $5,000 to purchase books to give away.

We hope to add laptop checkout and possibly library material check out in the future.
Our lawyer Ruben Cleaveland has created an intergovernmental agreement (IGA) that outlines each entity's responsibilities.

Library District staff are currently working on identifying locations in the county to park the van. We plan to start the first week in August.

IX. **Vacation leave carryover (ACTION)**

Our Personnel Policy states, employees may carry over up to eighty hours of vacation leave into a new fiscal year. The hours are prorated based upon their weekly hours. Due to COVID-19 shut down in March and April, we had a few employees who carried over excess vacation leave into the new fiscal year. Typically in March, I email employees to remind them they must use their vacation before the end of the fiscal year. Due to the shut down, we paid our employees, so they did not have the chance to use their vacation.

I request we allow our staff to retain their vacation hours they carried over into this fiscal year. Several staff are using their excess vacation hours this summer.

Section 10.2 from our Personnel Policy:

**Vacation Leave**

Vacation time with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits. During an employee’s trial period, vacation leave shall accrue but not be granted. A full-time employee shall accrue vacation leave as follows:

- 1-5 years of service - 8 hours per month
- 6+ years of service - 10 hours per month

Accrual occurs during continuous service, which is service unbroken by separation as a District employee, except that time spent by an employee on military leave. Time spent on other types of authorized leave, except sick, vacation or emergency leave, shall not count as part of continuous service except that employees returning from such leave, or employees who were laid off, shall be entitled to credit for service prior to the leave. Vacation leave shall not accrue while an employee is on extended sick leave of over forty hours.

Employees may carryover up to eighty hours of vacation leave into a new fiscal year.

Accrued vacation upon termination or death after one full year of employment shall be paid for the last regular rate of the employee's pay on the date of termination or death. In the event of death, earned but unused vacation leave shall be paid in the same manner as salary due the deceased employee.

Personnel who are not eligible for overtime shall be granted an additional two hours of vacation each month.

INDEPENDENT ACCOUNTANT’S COMPILATION REPORT

Board of Directors
Hood River County Library District
Hood River, Oregon

Management is responsible for the accompanying financial statements of Hood River County Library District, which comprise the balance sheet – cash basis as of June 30, 2020, and the related statement of revenues, expenditures and changes in fund balance – cash basis for the year then ended, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures and the statement of cash flows ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures and statement of cash flows were included in the financial statements, they might influence the user’s conclusions about the District’s assets, liabilities, equity, revenues, and expenditures. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information contained on pages 4 through 8 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.
