ii. Foundation update  
   • At their last meeting, the Library Foundation debriefed on the Feast of Words fundraiser. They discussed ways things can be improved next year and things that worked well. The Foundation raised nearly $27,000 for the Cascade Locks Branch and the Odell community. After the expenses, they will give the Library District
$24,000.
• The Foundation has raised $60,000 for the Library District this year. They are happy to have met their goal for fundraising this year.

iii. March financial statements
Attachments: V.iii. March financial statements

We are right on track with our expenditures in the General Fund this year. We currently have $296,611 more in revenue than expenditures. We still expect another $30,000 in revenue from current and previous tax year, fines and fees, and interest revenue. I project we will spend around $231,000 in the General Fund by the end of the fiscal year.

iv. Director's report
Administration

• The library budget committee will meet Tuesday, May 8, 6:00-8:00pm and if needed, Tuesday, May 15, 6:00-7:00pm. The committee is composed of the five member library district board and five community members appointed by the library board. The meetings are open to the public. The budget committee packet will be available on the library website Tuesday, May 1.

• The downtown Urban Renewal District will be dissolved by FY 20-21. It has been in effect for 20 years. Beginning with the FY 20-21 budget the library district will receive $39,000 more dollars in revenue, in addition to our regular tax revenue we receive each year.

• This has been a busy year for the District. It always helpful to celebrate our accomplishments! We will achieve the following this fiscal year.
  ◦ Parkdale Branch remodeled. Added a weekly story time at the Parkdale Library.
  ◦ Cascade Locks Branch will be moved into new renovated space.
  ◦ Purchased over $25,000 of new furniture for the Hood River Branch with Feast of Words 2017 funds.
  ◦ Installed Legacy Garden at the Hood River Library
  ◦ Replace the sidewalk on Oak Street in front of the library
  ◦ Created a Makerspace and will offer a new array of programming for all ages.
  ◦ Increase our programming and outreach by offering classes for all ages with our 10 new laptop computers funded by the Friends of the Library Pat Hazlehurst Endowment and the Friends of the Library.

• Next fiscal year I think we should focus on the following projects:
  ◦ Create a new mini-branch in Odell for library services. It will be located in the new Mid-Valley Elementary school library (located in St. Francis House) and will be open 1-2 days per week.
Repairs to the Hood River Library – we will create a short and long term plan to secure funds for the following projects. While not all projects will be completed next year, we will develop a plan to address the following projects: repairing and sealing benches in the gardens, restoring masonry of the Hood River building, clean the moss off the Hood River building, repaint the interior of the Hood River Library and plan for the long term goal of replacing parts of our HVAC system and roof, when needed. In February 2014, the district hired Richard Turi to complete a comprehensive facilities review. We can use the review as a guide to plan when specific items will need to be replaced.

Facilities

- The work on the Minoru Yasui Legacy Garden was completed by March 28, 2018. The Yasui family held an unveiling event on March 28, 2018 in honor of Minoru Yasui day and over 80 people attended. There will be one more addition to the Legacy Garden. A stepping stone will be installed between the staircase and the stone.

- Odell Library – The Hood River School District is moving forward with their new library at Mid-Valley Elementary. They are working on getting an estimate for the renovation of the room for the public library, which will be located within their school library. The Library Foundation is still interested in using the Katie Barker donation to fund the project. This will depend upon approval from the Barker family.

- The library has been unable to secure an adequate permanent location for a weekly mobile library. In the meantime while the new space is constructed, the library district will start a bi-monthly pop up library June through August at the Mercado (downtown farmer’s market) in Odell. The mobile library will offer library items to checkout and a summer reading program for kids (featuring two performers during the summer). The Odell Library Express Bus will run every Saturday June through August to take members of the Odell community from Odell to the Hood River Library and back again.

- Our maintenance person Michael Peterson-Love finished the remodel of the Cascade Locks Branch. The new carpet was installed two weeks ago. The furniture and shelving has been ordered. We plan to be moved into the new branch by June 30, 2018. Our Grand Opening party will be Saturday, July 7, 5:30pm. There will be food, music, and fun!

Personnel

- We are sending three staff members to the annual Oregon Library Association conference on Wednesday, April 18-20. It’s a great opportunity to connect with other professionals, share ideas and keep up to date with the library profession.

- Our long time Public Service Clerk Amber Strangstalien will be moving out of the area in May. Her last day with the Library District is Friday, May 11. Amber is a valuable employee and we will miss her presence and excellent work. This position is currently full time. The majority of the hours occur on desk. We are going to split this position back into two part-time positions. This used to be two part-time position and a full time position was created because the district was having difficulty finding
people interested in working in a part-time position long term. By eliminating a full-time position the district can shift the $8,000 paid in benefits to increasing sub hours and other staff hours which were reduced last year. In addition, it will solve the issue we deal with regarding finding desk coverage when a full-time Public Service Clerk takes a vacation and we need to cover 32 plus desk hours per week while they are away.

Programs

◦ The Library District will hold the program Día at Mid-Valley Elementary School, Friday, April 20, 5-7pm. Día is a celebration of children, families, and reading. The celebration emphasizes the importance of literacy for children of all linguistic and cultural backgrounds. We will offer arts & crafts activities, food, and drinks. Every child will receive a brand new book, bookmark, and a special Día bag to take home. There will be a show of the hilarious Bilingual Comedian Angel Ocasio! The event is free and open to the community.

◦ Shakespeare week is almost here. We have a week full of fun activities for all ages. Shakespeare Week celebrates the world's most famous playwright with fun events for kids and families.
  ▪ Sunday, April 22, noon-2pm: Knight’s Quest treasure hunt.
  ▪ Tuesday, April 23, 6:00-8:30pm: Bard’s birthday, will be celebrated with birthday cake and a performance of The Tempest, performed by The Original Practice Shakespeare Festival of Portland.
  ▪ Wednesday, April 25, 5:30pm: Students of Little Oak Montessori School will present an abridged performance of Midsummer Night’s Dream.
  ▪ Thursday, April 26, 3-5pm: Calligraphy workshop, with parchment and quills made from real feathers.
  ▪ Saturday, April 28, noon-1pm: A swordplay workshop, covering basic skills and a scene from Macbeth, will be offered for ages 7 and up.

VI. Previous business

i. Approve budget committee and budget officer Sheppard

Our budget is reviewed by the budget committee, a group consisting of the Board of Directors and an equivalent number of community members. Budget committee members are appointed to 3-year terms. The budget committee has one vacancy. At the March 20, 2018 district board meeting, the board agreed to nominate Amber Bello to the committee for a three year term. Fox contacted Bello and she has agreed to be on the committee.

I'm asking the board appoint Amber Bello to the budget committee for a three year term. I’m also asking the board appoint the Budget Officer, which typically is the Library Director.

I. Public hearing on Ordinance No. 1

- VII.i.c. Previous Code of Conduct with changes noted

This meeting begins the process of approving the District's Ordinance No. 1, revising the Code of Conduct for our buildings and grounds. The ordinance process will proceed as thus:

- A public hearing notice was published in the April 11, 2018 issue of the Hood River News.
- The first reading of the ordinance occurs at this meeting. Since the ordinance text is published in our meeting packet, only the title of the ordinance must be read. A public hearing must be held as well.
- A public hearing notice will be published in the May 9, 2018 issue of the Hood River News.
- The second reading and vote on the ordinance will be done at the May 15 Board meeting. A public hearing must again be held.
- The ordinance becomes effective thirty days after the May 15 meeting, on June 14.
- The ordinance text can be revised during this process, based on discussion and input.
- The rationale for the Code of Conduct changes was discussed in the meeting packet during the February 20 meeting. The introductory text explains the reason why we're passing the Code of Conduct as an ordinance. It also notes how the ordinance will be enforced by the District's Use Restrictions Policy.
- A public hearing must be a part of this meeting. The floor must be opened for testimony on the proposed ordinance. The Board may set a time limit on speaking, if it desires.
- All verbiage has been reviewed by District legal counsel Ruben Cleaveland.

ii. Job Description Youth Outreach (ACTION)  Sheppard

Attachment:
- VII.i.a. Job Description Youth Outreach Assistant
- VII.i.b. Parent Permission Slip

This year we have changed the scope of the Odell Library Express Bus project. Based upon feedback from families in Odell, staff were asked over the past few years if they could send their children on the bus without a parent or guardian since many parents work on Saturdays.

Children’s Librarian Jana Hannigan proposed to the Read to Read grant committee a new plan to meet the needs of the community. She proposed to use the grant funding this year to continue the Odell Bus for the months of June through August every Saturday. A portion of the funds are used to pay for the bus service, food, story time, free book, movie screening and the salary of two teen employees. The teen employees will be responsible for the children while they ride the bus to and from the library. Then staff and teens will provide supervision for the children while at the library. In May, the teens will receive training and conduct outreach in the Odell community with library staff to promote the Odell Express Bus service. Hannigan
envisioned the grant could continue the great work of promoting early literacy skills for children and empowering teens to receive work experience and become engaged in their community.

The Ready to Read Grant committee approved her proposal. I spoke to our legal counsel and Special District Association of Oregon regarding the project. They both did not see concerns with the arrangement. They both made suggestions. SDAO suggested we hire teens 16 years and up and we go through the formal process for hiring employees. Ruben Cleaveland recommended parents sign a permission slip for the children 17 and under to ride the bus and participate in the program. Cleveland has approved the permission slip.

Hannigan has already found two responsible teens aged 18 and 17 who live in Odell who are interested in the project. She met with the teens and the parents to discuss the responsibilities. The next step will be for the teens to complete a district application, background check, formal interview with Jana Hannigan and myself and training with Arwen and I in our policies and relevant procedures. The funding for the personnel costs with be completely covered by the grant.

We received $4,965 for this year’s Ready to Read 2018 Grant for the State of Oregon. We have the following budget for the program:

Bus will run for 13 weeks, June 2 through August 25

- Transportation service - $671.00 ($1,950 – $1279, $150 per week for 13 weeks, we prepaid with leftover funds Ready to Read 2017)
- Salary – $2,045.10.
  - Pay $12.03 per hour
  - Total 85 hours per employee: 20 hours of training/outreach, 65 hours Saturday bus
  - Pay $1,022.55 per employee
- Food - $500
- Movies - $300
- Book giveaways - $500
- Unallocated funds can be used to prepay on the bus for next year - $948.90

I’m asking the board to approve the job description for the Youth Outreach position. Please note the description does state this is a temporary position dependent on grant funding.

iii. **Supplemental budget (ACTION)**

*Sheppard*

When the fiscal year 2017-18 budget was created, the library district had not applied for the Ready to Read grant 2018. We did not allocate any grant funding to be spent on personnel. Since we will be spending grant funds on personal during the month of June 2018, we need to shift appropriations in the grants fund from Materials in Services to Personal Services.

I contacted the Oregon Department of Revenue and since we did not allocate any funds toward personnel we need to do a supplemental budget instead of a resolution.
A supplemental budget is necessary in the Grants Fund to decrease the appropriations from $151,000 to $150,000 in the Materials and Services and increase the appropriations in the Personal Services fund from $0 to $1,000 fund to pay for salary of two part time positions for the Odell Bus project.

Please review the resolution for a breakdown of the budget and updated figures.

I request the board pass the resolution to adopt the supplemental budget.

iv. **Return to Work Policy (ACTION)**

*Attachment: VII.iv. Return to Work Policy*

Special District Association of Oregon (SDAO) has recommended the library district adopt a return to work policy. SDAO provided a sample policy which I updated with our information. Legal Council Ruben Cleaveland has approved the policy.

The intent of the district's return to work policy is to return employees/volunteers (herein referred to as employees) to meaningful work as soon as medically appropriate in an effort to keep injured employees engaged in the workforce and manage workers' compensation claim costs.

I ask the board to approve the Return to Work policy.

Marsden moved to approve the minutes as amended and the furniture estimate for $5,867.00. Janik seconded. The motion passed unanimously.

IV. Open forum for the general public Sheppard
No general public.

V. Reports Fox
i. Friends
There was nothing to add to the written report.

ii. Foundation
There was nothing to add to the written report.

iii. February Financial Statements
Sheppard asked why there is deficient in the change of fund balance total in the amount of $34,707, for the current actual period in the General Fund for the month of February. Fox stated it’s due to receiving revenue of $31,145 for the month of February and spending $65,215 between Materials and Services and Personal Services. Fox stated since most of the funds are received in November, there will be a negative amount most months in change of fund balance for the current actual period.

Fox stated the Year to Date actual is a more accurate reflection of how much the district has received.
in revenue versus expenditures. The year to date shows the District receiving $351,094 more in revenue than expenditures.

Sheppard and Hackett asked why the annual budget in the financial statements shows spending $165,157 more dollars than the District is expected to receive. Fox stated each year the categories in the General Fund and Materials and Services fund are raised slightly higher than we are expected to spend. This is due to keep our Unappropriated Ending Fund balance close to what we need to carry over for the 4.5 months (July through mid-November) and allows the District to spend more funds, if needed, since we often receive more tax revenue than is estimated when the budget is created. The $165,157 is broken down to $100,000 is the contingency which we usually do not spend each year and the $65,157 is the additional funds we can spend, if needed. This still leaves the district with enough funds to operate from July to mid-November.

iv. Director’s report
There was nothing to add to the written report.

VI. Previous business
   i. Budget committee discussion
      Sheppard recommended local accountant Amber Bello be appointed to the budget committee. The board agreed for Fox to contact Bello to see if she is willing to serve a three year term. Fox asked if Sheppard would send her Bello’s contact information.

VII. New business
   i. Review bids Janitorial Services and approve contract (ACTION)
      Sheppard
      Sheppard asked why Opportunity Connections did not submit a bid. Fox stated they decided they did not want to submit a bid this year but asked us to keep them in mind next time we went through the bid process. Sheppard stated she liked to support the company which employs individuals with special needs and to please include them in the next bid process. Marsden moved to accept the bid from Tedene (Clean All Janitorial). Bureker seconded. The motion carried unanimously. Hackett moved to approve the one year contract with Tedene Enterprises. Marsden seconded. The motion passed unanimously.

   ii. Review bids library shelving for the Cascade Locks Branch (ACTION)
      Sheppard
      Fox stated Oregon Corrections Enterprises (OCE) provided the incorrect bid for the project due to inaccurate listing of mobile shelving. The bid for the project was revised to $23,609. Fox stated she spoke to maintenance person Michael Peterson-Love and he will be able to install shelving left over from the Hood River Children’s Library remodel. Fox stated this should lower our bid from Pacific Business Systems. Sheppard asked if we should have OCE rebid for the project. Fox stated the shelving we are reusing is similar to the shelving from Pacific Business Systems. They are both metal shelving, OCE only offers custom built wood shelving, so they would not be compatible. Fox stated she would ask Pacific Business Systems to rebid and then Jean Sheppard could sign the updated bid. Janik made a motion to accept the bid up to $22,250. Marsden seconded. The motion passed unanimously.

   iii. Review and accept bid for Oak Street Sidewalk replacement (ACTION)
      Hackett moved to approve the estimate of $15,918 for the work and up to $2,194 for permit fees and
require the contract be approved by our legal council Ruben Cleaveland. Janik seconded. The motion carried unanimously.

**iv. Review Library Director Evaluation questions**
Sheppard

Hackett suggested updating the evaluation to the correct gender or using gender neutral pronouns. Fox stated she would update the gender reference. Marsden made a motion to approve the evaluation questions. Janik seconded. The motion carried unanimously.

**v. AED defibrillator discussion**
Sheppard

Bureker stated there is little maintenance for the AED and staff should be protected by the Good Samaritan Law. Sheppard stated there should be a sticker installed on the device stating the date of installation of the unit and battery. Fox stated she would contact the Fire Department to set up installation, ask about battery replacement schedule and request training for staff.

**VIII. Agenda items for next meeting**
Sheppard

The Odell project was mentioned. Fox stated the School District was working on getting bids for their projects to determine if they would move forward with the new library at Mid-Valley Elementary. Fox stated she planned to contact Dan Goldman at the end of March. Sheppard stated we should email him because we don’t want to let this opportunity pass us by. Fox stated she would email Dan Goldman.

**IX. Adjournment**
Sheppard

The meeting was adjourned at 7:38pm.

Use Restrictions Policy

Sometimes a patron's behavior may necessitate restricting his/her use of Hood River County Library District services. Such behavior includes but is not limited to violations of District policies as well as violations of federal, state, or local statutes.

Responsibility and restrictions
District staff, and ultimately the Library Director, is responsible for determining whether behaviors are unacceptable as delineated by District policies. When such behavior occurs, staff are authorized to restrict a patron's access to District services, appropriate to the unacceptable behavior and past actions by the patron. Such sanctions include, but are not limited to:

- Bans from using the relevant service (e.g. meeting room, computers, bulletin boards);
- Loss of library card privileges;
- Billing for damage;
- Requirement for accompaniment by a parent, guardian, or caretaker;
- Ejection from District property (temporary, conditional, or extended).

Staff members are encouraged to use sound but flexible judgment in determining appropriate sanctions and lengths. Severe or extended sanctions require approval of the Library Director or designee.

Warnings
At their discretion, staff may warn a patron up to twice before sanctioning as per above. Subsequent similar behavior by the same individual may not require warning before sanctions are issued, and such sanctions may be more severe. While the District views this policy as primarily corrective and progressive, it is not possible to define in advance the specific action to be taken in response to every behavior. Consequently, the District reserves the right to take appropriate action, including immediate ejection from District property, in response to circumstances and events on a case-by-case basis.

For instance, staff may restrict a patron's use of services, or immediately eject a patron without warning for more severe violations of policy, including without limitation abusing District staff or patrons, abusing District property, attempting to alter or compromise District technology or networks, or violations of local, state, or federal laws.

Recording
Staff will record any instances in which sanctions are issued and will maintain current lists of patrons who are restricted from using library services and are banned from District facilities.

PARENT PERMISSION & WAIVER FORM FOR
BUS TRANSPORTATION

I, the parent/guardian of the child named below, approve of my child participating in bus trip(s) to the Hood River County Library on Saturdays beginning June 2, 2018, and ending August 25, 2018. I understand that the bus travel includes departure from the Odell Mobile Home Park, arrival to the Hood River County Library, and a return trip to the Odell Mobile Home Park; that the bus departs the Odell Mobile Home Park around 10:00 AM and returns to the Odell Mobile Home Park around 1:30 PM; and that supervision will be provided for children ages 3-9.

Understanding the above, I hereby grant permission for my child to participate. In the event of an injury requiring medical attention, I hereby grant permission to the supervising librarian or staff to attend to my son/daughter. If the injury warrants further medical attention, I expect every effort will be made to contact me to receive my specific authorization before action is taken. If efforts to contact me are unsuccessful, I grant permission for necessary medical treatment to be given. In addition, I hereby give my permission to the supervising librarian or staff to take my child to the physician, dentist, or the hospital if an accident or serious illness occurs on the trip, and I cannot be located.

It is the priority of the Hood River County Library District to provide educational experiences in which the District can assure the student and parent/guardian a reasonably safe environment. In traveling to and from District property, parents must first acknowledge potential risks that might be encountered, and approve their child’s participation.

1. The District’s representation and that of its representative(s) is that a quality educational experience will be pursued.
2. The same rules that are in effect at the District Library facility are in effect for the trip. The child is to abide by the instructions of the authorized supervisor.
3. Parent/guardian must inform themselves of the level of supervision that will be on the trip, the details of the trip, and then judge themselves, considering the behavior patterns of their child and their child’s maturity, whether their child has the maturity and ability to accept direction and function responsibly and safely as a trip member in the unfamiliar situation.
4. Participants must exercise the appropriate level of maturity and self-discipline for their age and extend the effort necessary to protect their individual safety and benefit from the experience. Each participant is urged to be continually on guard for the safety of the others in the group and circumstances that impair that safety.
5. The dangers that are present in this trip are those commonly experienced by and known to all persons traveling with young people within the United States. The District cannot and does not claim to control such dangers. Parents wishing more information regarding the trip and its leadership should contact the District.
6. The District will not make any judgments regarding the safety of non-District transportation (common carriers) used, traffic hazard situations, unlawful behavior of strangers and other dangers to be found in the surroundings and cannot be expected to control children’s behavior that is contrary to the directions given to the party or individuals in the party.
As parent(s) or legal guardian(s) of the child(ren) listed below, I/We, the undersigned, hereby release and agree to defend and hold harmless the Hood River County Library District officers, agents, employees, including supervisors, and their assigns from any claims from any person, entity or estate, in any forum that may arise against them by reason of property loss or injury and/or death resulting from any cause including, but not limited to, the child or other children having failed to properly carry out instructions from the supervisor, but excepting those which occur because the supervisor negligently failed to take reasonable steps available to it to protect the child from an immediate substantial hazard actually known to the supervisor. My child's medication information is complete and accurate on this form, and I hereby give the District (or its representative designee) authority to seek emergency medical treatment as described above for my child. I understand that parent/guardian will be responsible for any expenses incurred.

Return to Work Policy

Objective
The intent of the district's return to work policy is to return employees/volunteers (herein referred to as employees) to meaningful work as soon as medically appropriate in an effort to keep injured employees engaged in the workforce and manage workers' compensation claim costs.

Parameters
This policy is designed to provide temporary accommodations for work related injuries only. It does not replace the district's responsibility to comply with Americans with Disability Act or address union contracts. Accommodations are made unless they create a hardship upon the district.

Implementation
1. Medical treatment is sought for a work related injury by an employee resulting in medically authorized restricted duty or time loss.
2. District identifies transitional duty tasks that fit within the injured employee's restrictions.
3. District makes a written transitional duty offer to the injured employee within their physical restrictions.

Employee Responsibilities
1. Provide a copy of written restrictions or authorized time loss from healthcare provider to district supervisor within 36 hours of treatment.
2. Accept or decline written transitional duty offer. Note: A declined transitional duty offer may impact an injured employee's benefits.
3. If the employee is not working due to authorized time loss or the district's inability to accommodate restrictions, they are required to check in with district management weekly to obtain any district communications and provide any updated medical releases.
4. While on transitional duty, injured employees are to report to work and perform duties as assigned. All district personnel policies, procedures and routine protocols apply.

Employer Responsibilities
1. Notify all district employees upon hire and annually that District accommodates work related injury restrictions and has an active transitional duty program.
2. Upon knowledge of work related injury restrictions, identify transitional duty tasks that fit within the restrictions.
3. Write the transitional job description within the injured employee's restrictions.
4. Fax or email the transitional job description to the medical provider for approval.
5. Make a written job offer to the injured employee to include a copy of their transitional job description and current restrictions.
6. Fax or email a copy of all documents to the district's SDAO Claim Examiner or RTW Consultant.
7. Continue to update transitional job description as restrictions are lifted through the healing process.
