

KIDS READING LOG

Color in each book decal for every 30 minutes of reading and come to library to redeem for PRIZE POINTS and RAFFLE TICKETS. The first 10 hours read in each quarter are PRIZE POINTS to be used in our prize store, and any reading earned beyond that will earn RAFFLE TICKETS! You can get prizes, tickets, and fresh logs at any of our locations.

Tickets are awarded depending on when the reading was done, not when you come into the library.
You can log your reading at any point in the Summer Reading Program!

Note: Book decals are portioned into thirds to make it easier to color in 10 minute portions
